

**Chasco Elementary School**  
**2016-2017**  
***We are #ChascoSTRONG***

***Priority #1: High Impact Instruction***

**Goal:** Together we will create standards-focused, rigorous learning experiences in student-driven classrooms.

**Action:**

- **LATIC: Teacher as facilitator:** Together we will have conversations with students to probe open ended, higher-order thinking aligned with the standards to gather data to instruct and connect with students.
- **LATIC: Problem-Based Learning:** Together we will intentionally plan for teaching and learning of grade-level standards. We will implement open ended, higher-order thinking instructional strategies that help students achieve the rigor of the standards.
  - **Strategies:**
    - Math standards and Number Talks
    - ELA/STEM tasks with ReadyGEN/IRLA
    - Technology Integration – Canvas

***Priority #2: Data-Driven Decisions***

**Goal:** Together we will intentionally plan for multi-tiered systems of support for ALL students to meet grade-level standards, based on data.

**Action:**

- **MTSS:** PLC teams will review core (Tier 1) data at every PLC to inform core instructional needs, differentiation and plan for flexible small groups needing supplemental intervention to meet grade-level standards.
- **MTSS:** Every other PLC, teams will review supplemental intervention (Tier 2) data to discuss students meeting/not meeting grade level standard expectations, review the performance of these groups, and develop plans for students needing targeted intervention (Tier 3).
  - **Strategies:**
    - Tier 1 Facilitation Grid and Differentiation
    - Tier 2 SGML and Data Collection/PS Systems

***Priority #3: Collaborative Culture***

**Goal:** Together we will actively participate in building a collaborative school community.

**Action:**

- Together we will establish a school mission based on our collective core values that maintain a safe, hopeful learning environment for staff and students
- Together we will be champions for our Cubs through PRIDE Partners and PRIDE Pals
- Together we will plan for monthly opportunities to include our families in our students' learning and celebrations
  - **Strategies:**
    - Building and Living our Vision/Mission

- Building High Social Capital
- Family PRIDE Nights
