

Success Plan at a Glance

High Impact Instruction: Together we will create standards-focused, rigorous learning experiences in student-driven classrooms.

- PLCs will intentionally plan standards-driven instruction that integrates best practices into teaching, learning, and active student engagement.
- A balanced literacy block following the literacy framework with intentional professional development and coaching to ensure all staff members have the knowledge and skills to improve student performance.
- PLCs will emphasize the incorporation of strategies and methods for differentiation and engagement to ensure total participation, while monitoring for learning.

Collaborative Culture: Together we will create a common language that all students will learn at high levels and systems that support positive academic and behavior management.

- The school's staff, in collaboration with the Harmony Project, has a deep understanding of leading with a trauma informed approach.
- PBIS/Chasco Champions create systems of monitoring and problem solving to increase student positive behavior, motivation, and engagement.
- Monthly Family PRIDE Nights to engage parents in our vision of collaboration.

Excellence in Student Achievement and Employee Success

Data Driven Decisions: Together we will gather, analyze, and use formative and summative data to ensure ALL students are meeting grade-level standards.

- Tier 2 and Tier 3 time scheduled daily in all grade levels, with a traveling "A Team" to support quality interventions.
- PLCs will plan and deliver quality, targeted interventions to close learning gaps.
- All staff will have a collective responsibility while problem-solving and planning tiers of supports for students.
